[Man in e.Space.mov](#)

at La ferme du Buisson, Scène nationale de Marne-la-Vallée, Paris [F]

"My themes - the human figure in space, its moving and stationary functions, sitting, laying, walking, standing - are as simple as they are universally valid. Besides they are inexhaustible."

Oskar Schlemmer

The dance-performance examines the notions of space and action _ movement, confronting them to communication and computation technologies, to underline the relationships between body and space _ bodyspace.

The performance is a collaboration of:
